

## Erratum

# Erratum to “Optical properties along the *c* axis of $\text{YBa}_2\text{Cu}_3\text{O}_{6+x}$ , for $x = 0.50 \rightarrow 0.95$ : Evolution of the pseudogap” [Physica C 254 (1995) 265–280]

C.C. Homes

*Department of Physics, Brookhaven National Laboratory, Upton, New York 11973, USA*

In Fig. 2 of the original work, the axis for the frequency in the top panel is different than the other panels. The corrected figure is shown below:

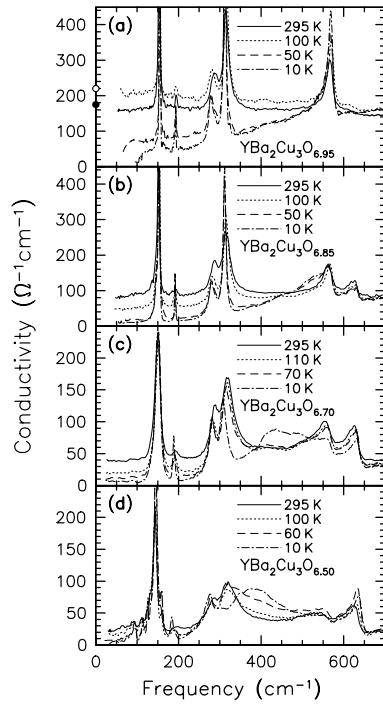

Fig. 2.
